Board sponsors free day for residents at County Fair

County residents will be able to attend the County Fair free of charge on May 12 thanks to action taken today by the Board of Supervisors.

The Board of Supervisors approved an agreement with the fair to provide funding to support May 12, 2008 as free admission day for County residents. The County Fair is held annually at the San Bernardino County Fairgrounds, located at 14800 Seventh Street, Victorville. This year's theme is "Hometown Pride Shared Countywide", and runs May 10th through May 18th.

The County Fair offers a variety of family activities such as concerts and entertainment, "Kids' Kountry Activities" for children, and many other special events and contests, carnival rides, exhibit buildings and a community stage. Livestock events feature a Challenged Children's Rodeo and livestock auction.

"Providing this free day to County residents demonstrates the Board's ongoing commitment to increasing access to educational and recreational opportunities for all County residents," said Chairman Biane.

The County Fair also offers other special days such as May 10th American Heroes Day, honoring those who serve in the military and emergency services.
